

How to find... **elevate**

From Victoria Car Park:

Come out of the car park onto Victoria Street, turn left and proceed down Victoria Street. Cross at the traffic lights into Peascod Street. Continue up Peascod Street and immediately after Martyn Crossley Florists on the left you will see a decorative iron gateway – walk through this and into the passageway. Towards the end on the right you will see a glass door for Queen Anne's Court.

Press the buzzer for Elevate and proceed to reception on the second floor.
